

**POSITION OF  
THE NATIONAL COUNCIL OF THE JUDICIARY**

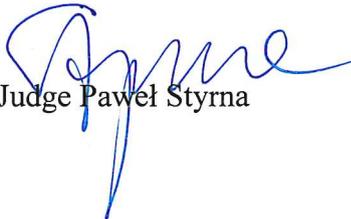

of 1<sup>st</sup> March 2022

**expressing its opposition to the military aggression of the Russian Federation  
on the territory of Ukraine**

The National Council of the Judiciary - a constitutional body of the Republic of Poland, guided by the highest values of a democratic state ruled by law, expresses firm opposition to the brutal military aggression of the Russian Federation towards independent Ukraine, undertaken in violation of international law and human rights, and fully supports and sympathises with the People of Ukraine heroically fighting for their freedom and sovereignty.

The National Council of the Judiciary appeals to judges to support humanitarian actions aimed at helping refugees fleeing from areas affected by hostilities.
