

CHAIRMAN OF THE  
NATIONAL COUNCIL OF THE JUDICIARY  
OF POLAND  
Nr WWM.061.4.2021

WARSAW, 26.10.2021

**Hon.**  
**Prof. Filippo DONATI**  
**President of the**  
**European Network of the**  
**Councils for the Judiciary**

I want to express my thanks for the information about the Extraordinary General Assembly of the European Network of Councils for the Judiciary, which will be held in Vilnius. However, I will not take part in this meeting. I believe that the decision of the ENCJ to suspend the National Council of the Judiciary of Poland as a member of this organisation was made without a legal basis and does not comply with the ENCJ Statutes. Therefore, the pre-condition for the participation of the National Council of the Judiciary in events of the Network is the prior repeal of the resolution of the General Assembly about suspension of the KRS membership.

At the same time, I kindly inform you that the National Council of the Judiciary of Poland upholds all its arguments presented in the explanations which have been submitted at the request of the European Network of Councils for the Judiciary and declares its readiness for further collaboration with the ENCJ.

Yours sincerely,

judge Paweł Styrna
